## Education

**G.L Bajaj Institute of Technology and Management**  
*B.Tech - Computer Science and Engineering - CGPA - 8.3*

**Nov 2022 – May 2026**  
*Greater Noida, Uttar Pradesh*

**OSVN Inter College**  
*Intermediate - Percentage - 88%*

**April 2019 – May 2021**  
*Kanpur, Uttar Pradesh*

## Projects

**Talent Bridge** [🔗](#) | [View Frontend](#) | [View Backend](#)

**Mar 2025**

- Developed a MERN stack application for college teams, clubs, and societies to streamline their recruitment process.
- Implemented role-based access control (RBAC), enabling different permissions for users based on their roles.
- Integrated resume uploads and CRUD operations, allowing efficient management of applicant data.
- Designed responsive user interfaces to enhance user experience across various devices.
- Tech Stack - HTML, CSS, JavaScript, React + Vite, NodeJs, ExpressJs, MongoDB, Cloudinary

**Eco Mart** [🔗](#) | [View Frontend](#) | [View Backend](#)

**Apr 2025**

- Developed a scalable eCommerce platform with features like user authentication, product management, shopping cart, and payment integration.
- Built a responsive and dynamic user interface with advanced search, filtering, and seamless navigation.
- Integrated secure payment processing and implemented CRUD operations for efficient product and order management.
- Ensured secure user authentication and optimized performance for a smooth user experience.
- Tech Stacks - React, Node.js, Express.js, MongoDB, Redux, JWT Auth, Razorpay, Tailwind

**Stone-Paper-Scissor Game** [🔗](#) | [View Code](#)

**Nov 2024**

- Stone-Paper-Scissor web game with React and JavaScript, implementing responsive UI and real-time score tracking.
- Engineered game logic using clean JavaScript functions for random move generation and outcome determination.

## Skills

**Languages:** C, C++, JavaScript, SQL

**Operating Systems:** Windows

**Developer Tools:** VS Code, GitHub, Git

**Technologies/Frameworks:** HTML, Tailwind, ReactJS, Redux, NodeJS, ExpressJS, MongoDB

**CS Fundamentals:** Data Structures and Algorithms (DSA), OOPs, Operating Systems, Database Management Systems, Computer Networks

## Achievements

- Solved 550+ questions on LeetCode (Max rating 1604), 350+ questions on Coding Ninja
- 5-star coder on HackerRank
- 996 Maximum Rating at Codeforces
- Achieved second place in the college-level Coding Ninja test, competing against 2,000 participants

## Certification

- Web Development - Udemy
